## WHO ARE WE?

Physio Fit is a multidisciplinary team of Allied Health professionals in the North Eastern and Western Suburbs of Adelaide.

We are leaders and drivers of change in healthcare and our mission is to change the healthcare experience for the better. Our model puts the client at the centre of our universe and everything we implement is focused on improving their experience and outcomes.

We are experts and innovative solutions to healthcare, offering the latest rehabilitation technology within our clinic; as well as digital solutions to help people who can't attend our clinic through our online consultation services.
